

Haneda Airport Reaches 80 Million Passengers in 2016!

Linked with 48 airports in Japan and 33 airports in 30 cities in 18 countries and regions,^{*1} Haneda Airport has one of the largest numbers of users in the world.

As a result of increased take-off and landing slots at the airport and more people visiting Japan from overseas, the total number of travelers using either domestic or international routes in the 2016 calendar year (January to December) surpassed 80 million.^{*2}

We thank you for your support and hope you will continue to use Haneda Airport.
