We are proud to announce that the passenger terminals at Haneda Airport⁽¹⁾ have taken 1st place in the Best Airports in Asia category of the World Airport Awards operated by SKYTRAX⁽²⁾ of the UK for the second consecutive year.

This is the seventh consecutive year that Haneda has been awarded 1st place in the World's Cleanest Airports and the 10th consecutive year that it has taken 1st place in the World's Best Domestic Airports. It has also taken 1st place in Best PRM⁽³⁾ and Accessible Facilities Class for the 4th consecutive year.

This is the second year in a row that Haneda has been awarded 1st place in Best Airports in Asia and the fourth year in a row that it has taken 2nd place in World's Best Airports.

Haneda's cleanliness and comfort has been recognized as best in the world 9 times in the past seven years in the World's Cleanest Airport category. Haneda's convenient, comfortable domestic facilities are the reason behind it being awarded 1st place as the World's Best Domestic Airport for the past ten consecutive years. Its emphasis on initiatives designed to assist passengers who require assistance in moving about are behind Haneda Airport's 1st place for the past four years in the World's Best PRM/Accessible Facilities category.

Haneda Airport plays an extremely important role as a hub airport with a dynamic domestic and international route network. Our corporate group looks forward to a fast recovery in demand for air transport from the COVID pandemic and all of our staff remain committed to working together to provide convenience, comfort and functionality in our facilities and services with safety as the paramount consideration.
