

25 February 2016

Japan Airport Terminal Co., Ltd.
Tokyo International Air Terminal Corporation

Haneda Airport Becomes
No. 1 in the World in Two Categories
of OAG Punctuality League 2015,
A Comprehensive Ranking of On-Time Performance Released by OAG
Top in the Large Airports Category, the Megahub Airports Category

Award ceremony on February 24, 2016

Center : Takayoshi Chiba OAG Aviation Worldwide Limited General Manager

Left : Daisuke Tokutake, Deputy Senior Executive Officer, Japan Airport Terminal Co., Ltd.

Right : Shin Suzawa, Managing Director, Tokyo International Air Terminal Corporation

Haneda Airport (*4) was ranked No. 1 in the world in the large airports and megahub airports categories (*3) of OAG Punctuality League 2015 (*2), a survey of on-time performance rankings conducted by the UK-based air travel intelligence company, OAG (*1).

We are truly honored to earn this accolade as a result of superb teamwork between the airlines, the Tokyo Regional Civil Aviation Bureau and all other airport stakeholders concerned at Haneda, who devoted much effort into ensuring punctuality.

Drawing encouragement from this accomplishment, we will continue to work together as an all-Haneda team to offer outstanding levels of convenience, comfort and functionality in our domestic and international passenger terminals.
