

Notice of Parking Restrictions on Roof Level Parking Lot, P4 Main Building, Tokyo
International Airport (Haneda), due to Parking Expansion

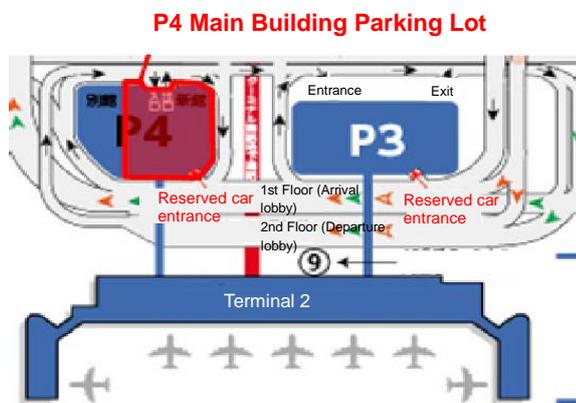

Japan Airport Terminal Co., Ltd. is scheduled to commence construction work to expand the P4 Main Building Parking Lot in February 2018. Due to this work, the use of the roof level of the P4 Main Building Parking Lot will be restricted from Tuesday, January 9, 2018.

We apologize for any inconvenience this will cause to our parking lot patrons, but respectfully seek their understanding and cooperation.

Congestion is expected at Haneda Airport, as well as the roads around the airport and in the parking lots during busy periods such as the summer season. Passengers and other airport patrons are strongly encouraged to use public transport as much as possible.

Duration of Restrictions: Tuesday, January 9, 2018 – Around April 2019 (to be confirmed)
