Japan Airport Terminal Co., Ltd. has introduced an online credit card payment system on its JAPAN DUTY FREE duty free pre-order website. For the first time in Japan, it will be possible to order and pay online in advance from an airport duty free store.

With the introduction of the online payment system, customers will no longer need to pay for their purchases at the airport, making picking up their duty free purchases a much smoother process.

The website offers a range of popular duty free products available at the airport duty free stores, such as cosmetics, fragrances, alcohol, and cigarettes, allowing customers to enjoy their airport duty free shopping from the comfort of their own homes.
